We are industry leading Manufacturers and Suppliers of excellent quality Certificate Plaques and Trophies. Our business has blossomed into a highly recognized brand due to the exclusive design, superior finish.

## About Us

Incepted in **2006**, **Aniruddha Sports** is among the eminent manufacturers and suppliers of a broad collection of Certificate Plaques, Wooden Mementos, Wooden Trophies and Metallic Trophy. By offering products of unmatched quality, we have been able to manufacture and design a distinguished position for ourselves in the market. Our complete assortment is widely acknowledged and recognized for its perfect designs, seamless finish and long working life. Offered products are fabricated and developed in association with the patrons' necessities and requirements. These are developed under the administration and directions of talented and skilled professionals using optimum quality basic material and contemporary technology. Our patrons can avail them from us at very cost effective prices. Along with this, these products are available in the market at very affordable prices within stipulated time frame.

We have constructed a contemporary and modern infrastructure facility which assists us to design and fabricate products of supreme quality. It is performed by talented and skilled professionals, which have years of knowledge in the respective field. Equipped with advanced technology and machinery, our well-informed professionals enable us to function in a well-organized manner. For running our business procedure proficiently, all the professionals work in close association with each other. In order to offer varied demands and requirements of our patrons, we...
